Dated: May 13, 2003

In accordance with Rule 45 of the California Public Utilities Commission's Rules of Practice and Procedure, the City of Santa Monica hereby submits this Motion to Intervene as a party in proceeding R.01-08-028, Order Instituting Rulemaking to Examine the Commission's Future Energy Efficiency Policies, Administration and Programs.

Santa Monica is examining options available due to the passage last year of Assembly Bill 117, Community Aggregation. In an April 28, 2003 ruling from Administrative Law Judge Malcolm, the Commission invited parties to comment on proposed changes to the Commission's Energy Efficiency manual to satisfy the requirements of AB 117 and implement changes to Public Utilities Code section 381.1. Santa Monica supports the Commission's effort to integrate energy efficiency programs sponsored by Community Aggregators into the existing mix of Public Goods Charge programs. Very few other parties in the proceeding at this time represent the interests brought forward by Santa Monica.

For the foregoing reasons, Santa Monica respectfully requests that the Commission grant this Motion to Intervene.

Respectfully submitted,

By:
